

Bread & Roses enjoyed yet another fantastic event, a special Happy Hour Fundraiser at [The Tavern at Lark Creek](#) in Larkspur. We were thrilled with the number of people who turned out and are so grateful for this collaboration with The Tavern.

The setting was ideal... a balmy, summer evening in a beautiful venue with seating and service indoors and out; live music played from an outdoor stage among the redwood grove by our very own Kurt Huget and [Jesse Lee Kincaid](#); refreshing drinks - custom recipes designed especially for Bread & Roses - mixed and served by our board members and staff; and best of all, a huge turnout of happy hour revelers, including so many of our supporters and friends old and new!

We want to thank all of you who turned out and helped to make this such a festive, successful event! We look forward to doing it all again... same time next year?
